Atty. Docket No.: 100570-00018

**PRELIMINARY AMENDMENT**

Commissioner for Patents  
Washington, D. C. 20231

March 27, 2003

RECEIVED  
APR 01 2003  
TECHNOLOGY CENTER R3700

Sir:

This is a preliminary amendment and is filed contemporaneously with a Request for Continued Examination in this matter. This preliminary amendment is filed on or before the due date of March 27, 2003 for filing a Reply to the Examiner's Response to the Applicant's Brief on Appeal in this matter.

**IN THE CLAIMS**

Please amend the Claims as follows:

1. (Thrice Amended) A soft sided, collapsible, insulated container comprising:
- a first collapsible insulated container portion defining a first insulated chamber therewithin;
  - a second collapsible insulated container portion defining a second insulated chamber therewithin;
  - said first and second insulated container portions having respective first and second insulated wall structures, said insulated wall structures including respective insulated sidewall panels;
  - said insulated chambers being located side-by-side, and being segregated by an insulated common wall;
